Dr. Kendall

Talk Dated

Dr. Willmoore Kendall, senior editor of National Review and chairman of politics and economics at the University of Dallas, speaks at 7 p.m. Thursday in Batts Auditorium at The University of Texas.

Sponsors of the talk on equality and the American political tradition are the Young Americans for Freedom. It is open to the public.

Kendall, whose last book is The Conservative Affirmation, has degrees from University of Oklahoma, Northwestern, Oxford, and University of Illinois. He has taught at Yale, Stanford, and Georgetown. He has worked for the State Department and CIA.
